

Series 18 is an easy series to ID, with lots of large, unique elements to distinguish the characters. However, the Red and Blue Brick Suits and the Party Girl and Boy can be difficult pairs to distinguish, so pay close attention when identifying these.

01 Elephant Suit Girl
Key element: Tutu
3x quantity per case

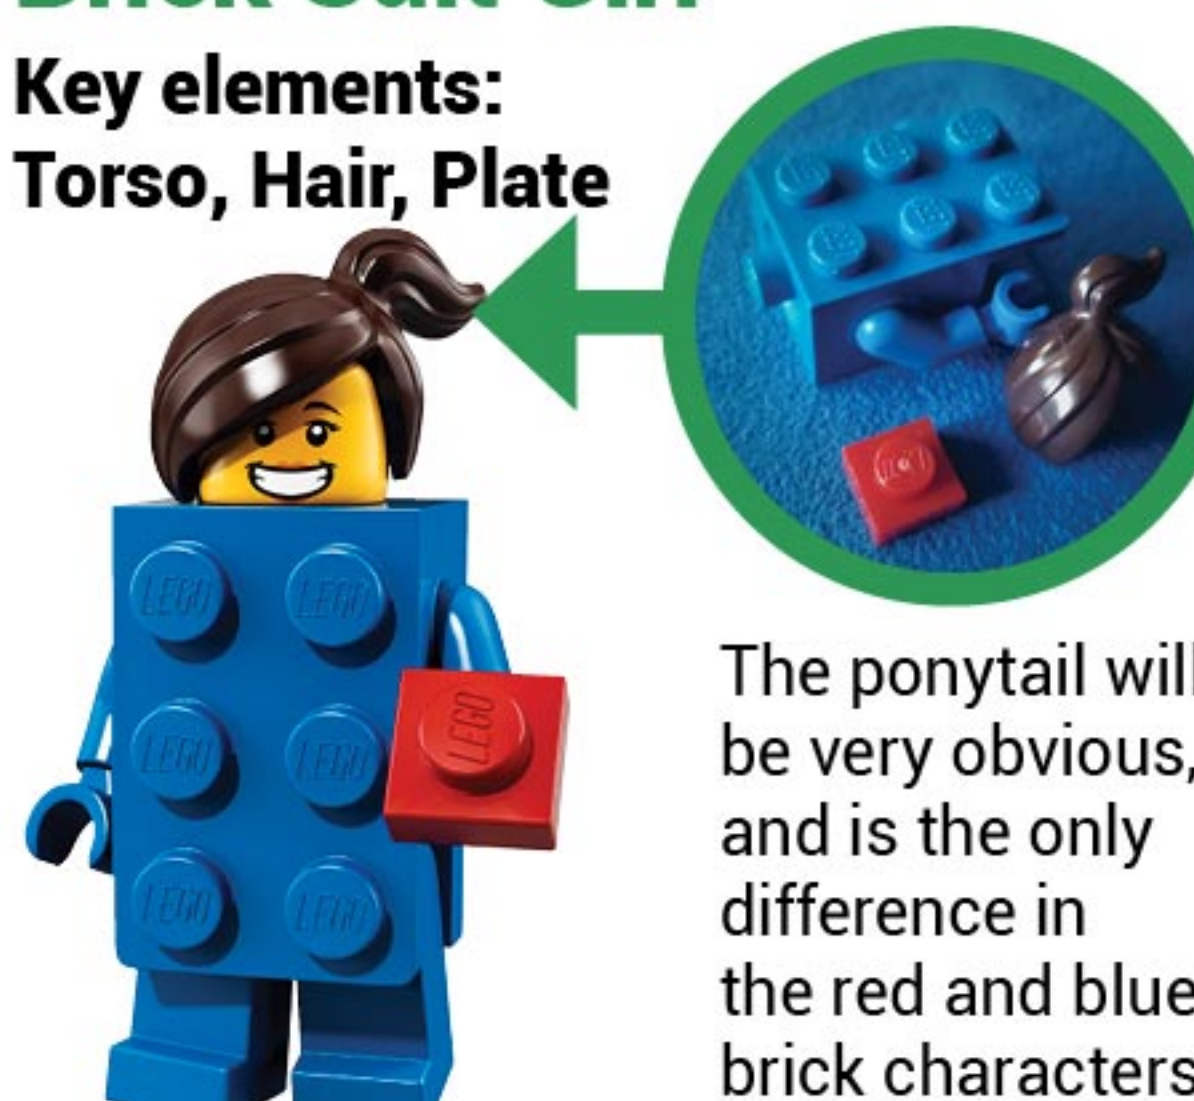

The tutu is disk shaped with fluted edges and a rectangular indentation on the bottom. The elephant head is also unique and the trunk and ears can be easily felt.

02 Brick Suit Guy
Key elements: Torso, Hair, Plate
5x quantity per case

No ponytail on the hair? This is the only difference between the two brick characters.

03 Brick Suit Girl
Key elements: Torso, Hair, Plate
5x quantity per case

The ponytail will be very obvious, and is the only difference in the red and blue brick characters.

04 Party Clown
Key elements: Top Hat, Balloon Animals
3x quantity per case

Either the hat or the balloons can ID this character for certain.

05 Firework Guy
Key element: Firework
4x quantity per case

The firework is a large cylinder that will be easy to feel. Find the pointed tip to distinguish from the cactus suit.

06 Birthday Party Girl
Key elements: Balloon, 1x1 Round Tiles
3x quantity per case

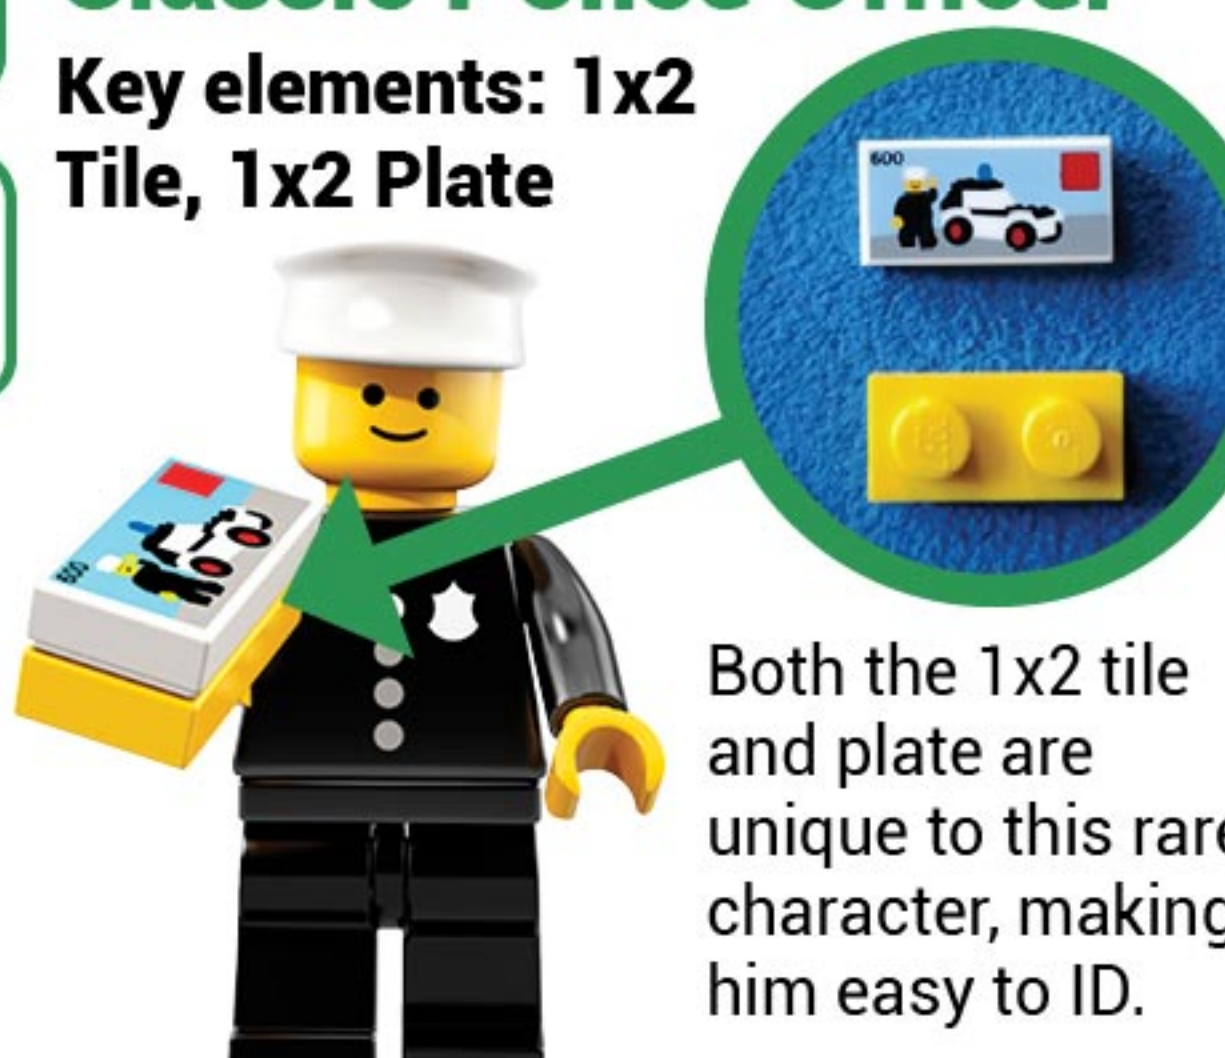

Find the balloon to narrow it down, then to confirm, ensure the 1x1 tiles are ROUND, not square.

07 Dragon Suit Guy
Key element: Dragon Wings
4x quantity per case

Although the horns and head are also unique, finding the hard-plastic dragon wings will be easiest.

08 Classic Police Officer
Key elements: 1x2 Tile, 1x2 Plate
1x quantity per case

Both the 1x2 tile and plate are unique to this rare character, making him easy to ID.

09 Spider Suit Boy
Key element: Small Spider
4x quantity per case

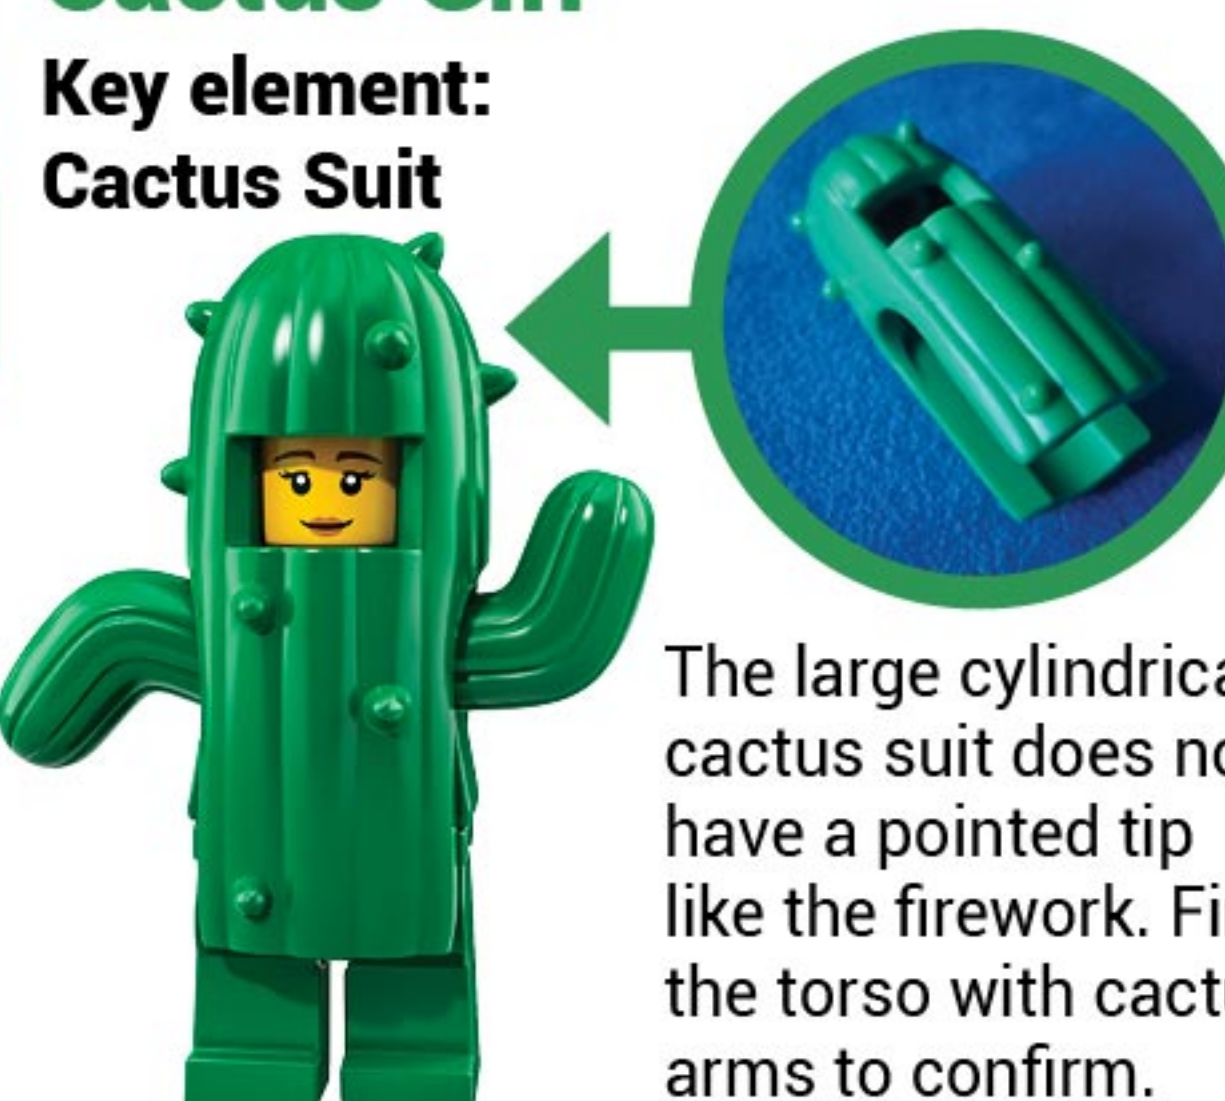

The big spider is soft and hard to feel, but the small, hard-plastic spider is easy to ID through the bag.

10 Birthday Cake Guy
Key element: Cake
4x quantity per case

The cylindrical cake is so big it makes the bag bulge. Make sure to feel the step between layers to distinguish from the Flower Pot Girl.

11 Cactus Girl
Key element: Cactus Suit
3x quantity per case

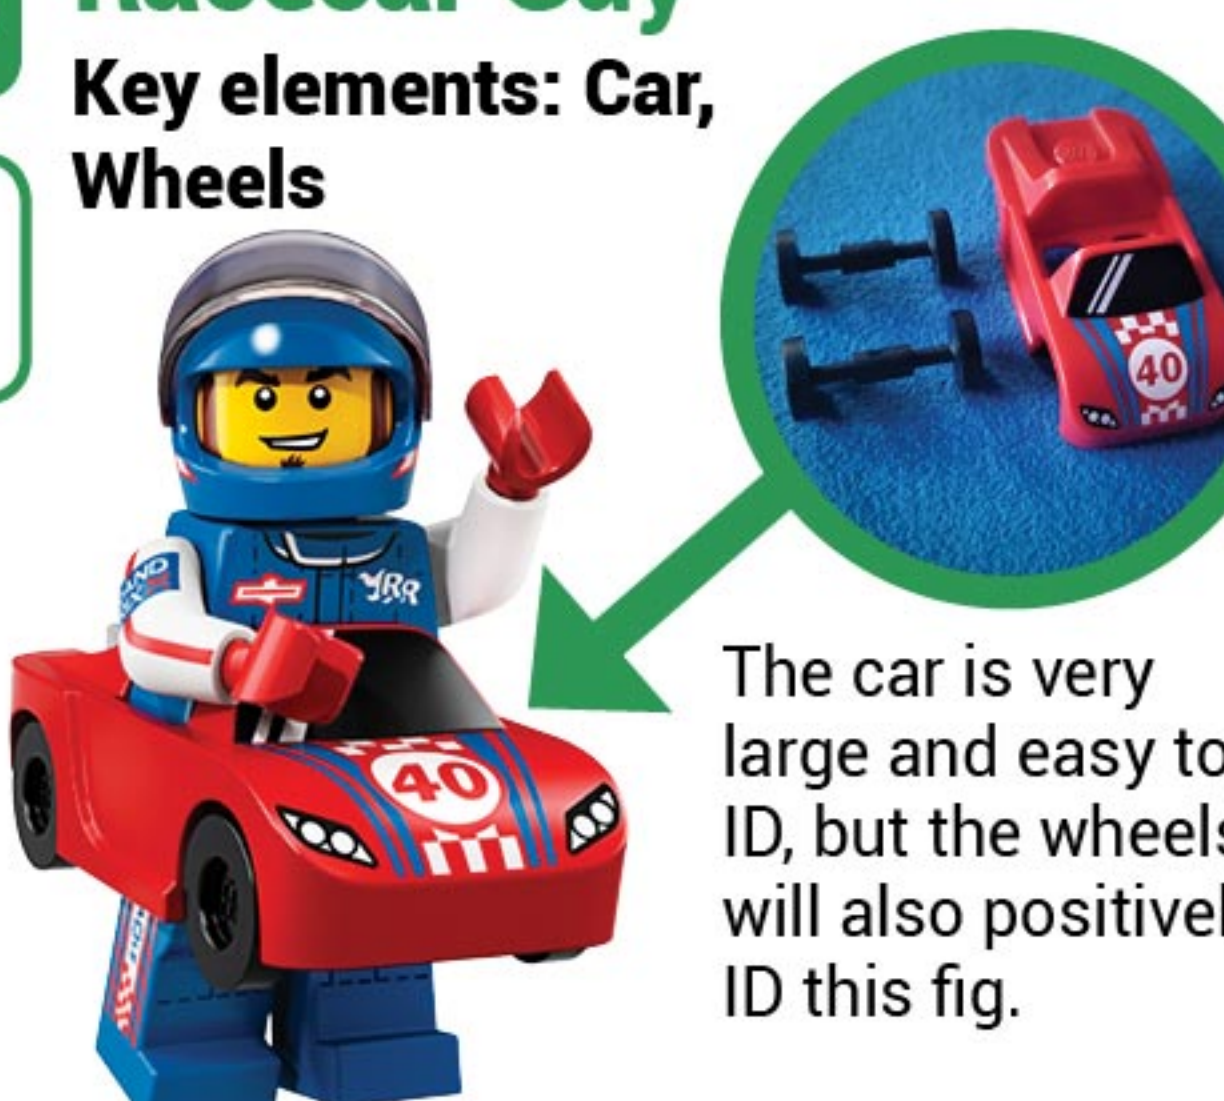

The large cylindrical cactus suit does not have a pointed tip like the firework. Find the torso with cactus arms to confirm.

12 Cat Costume Girl
Key element: Fish
3x quantity per case

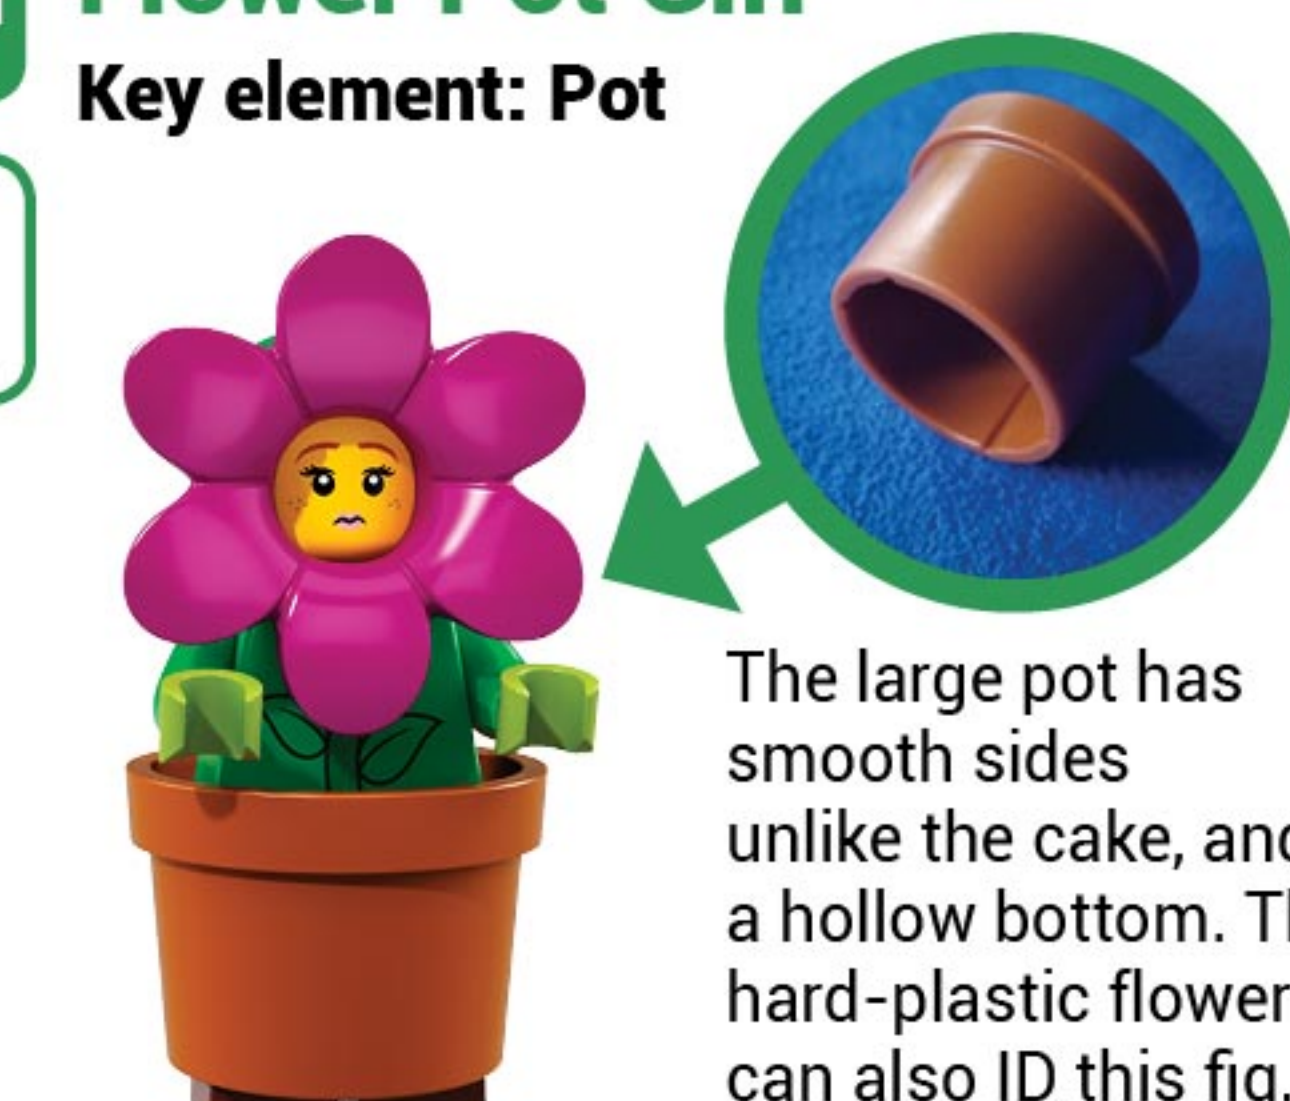

The fish is the best way to find this character, who can be difficult to ID. The head is also unique, but hard to feel.

13 Racecar Guy
Key elements: Car, Wheels
3x quantity per case

The car is very large and easy to ID, but the wheels will also positively ID this fig.

14 Flower Pot Girl
Key element: Pot
4x quantity per case

The large pot has smooth sides unlike the cake, and a hollow bottom. The hard-plastic flower can also ID this fig.

15 Cowboy Costume Guy
Key element: Cowboy Hat
3x quantity per case

Feel for the Cowboy Hat. The horse and tail are soft plastic and very difficult to feel through the bag.

16 Birthday Party Boy
Key elements: Balloon, 1x1 Tiles
3x quantity per case

Find the balloon to narrow it down, then ensure the 1x1 tiles are SQUARE and not round to distinguish from the Birthday Party Girl.

17 Unicorn Guy
Key elements: Shield, Sword
4x quantity per case

The triangular shield and flat sword are the best bet for this fig. The horn and tail are soft and difficult to find.
